Who we are

Discovery Days Preschool—a Ministry of Trinity United Methodist Church, serves Infants starting at six weeks through pre-k. We are committed to helping your child grow spiritually, physically, socially, and academically in a Loving Christian environment. Our learning activities, materials, and teaching practices are developmentally appropriate and designed to build a love of learning and a foundation for success in school years ahead. We invite you to become a member of the DDP family!

-  Our theme-based curriculum supports teaching phonics while encouraging play-based learning.
-  Chapel time teaches an understanding of how much God loves and blesses them. Bible stories, songs, and prayer are used to teach solid Christian values.
-  Children participate in weekly Yoga and Spanish classes
-  Teachers are certified in first aid and CPR.
-  Families with more than one child enrolled receive a 5% discount on the oldest child.
-  To assure the well being of all of our children we maintain DHR child to teacher ratios.
-  Exterior doors are locked throughout the day. Parents and guardians are provided a security scan card to allow access from 7:15 until 4:30 Monday through Friday. People trying to enter without a scan card must be granted entry via cameras in the church or preschool office and provide proper identification.
